↳ COP26COALITION/PS-REGISTER

Welcome to the People's Summit. While world leaders meet to negotiate our futures at COP26, awill gather to discuss, learn and strategise for system change. We can't wait to get started.

↳ COVID CHECKLIST: NEW DAY, NEW TEST, NEW WRISTBAND

Public health and safety during the ongoing pandemic is our primary concern. We have planned all activities over COP26 to minimise the risk of spreading COVID-19. We are fighting for climate justice at COP against the backdrop of global vaccine inequality and a need to keep everyone in our communities – both in Glasgow and abroad – safe.
